

SPONSORSHIP OPPORTUNITIES

NEU MUNE FARMSTEAD & RETREAT

Debuting in Spring 2025, Neu Mune sets itself to be the ultimate regenerative farmstead retreat, interconnecting all aspects of life through fun, education, community, and farming, enhancing mental and physical well-being.

SPONSOR AND NAME A DONKEY!

ABOUT NEU MUNE

Tucked away in hidden gem area of San Diego County, Neu Mune stands as a beacon of sustainable living and holistic well-being. Our 19-acre farmstead retreat is not only a real-world production regenerative farm but also a nurturing hub encompassing a fungi and herbal medicine nursery, farm stays, restorative services, and a variety of educational workshops, classes and events.

As we strive to restore the agricultural and food industry, we extend an invitation for you to join us on our transformative journey through our sponsorship opportunities. We have devised a unique and fun way for individuals and organizations to make a meaningful impact. From sponsoring our ranch house and barn house to supporting our farm market stand, or even contributing to individual elements such as naming our ranch animals, fruit trees, or flowers, sponsorship opportunities begin at just \$5.

Adding to the excitement is the generous support we have garnered from Dr. Bronner's, who leads by example by sponsoring our Medicinal Nursery and Learning Center. Their sponsorship serves as a catalyst for transformative growth and innovation, setting the stage for a brighter, more sustainable future.

WHY SPONSOR?

By becoming a sponsor at Neu Mune Farmstead, you or your organization not only support our mission of regenerative farming but also align your brand with values of environmental stewardship and community engagement. Your sponsorship will directly contribute to the growth and development of our farm, ensuring its continued success as a beacon of sustainable living.

As we prepare to unveil the farmstead for its grand opening in Spring 2025, allow us to share some of the key highlights that set us apart:

April 5 - FAM Food As Medicine Day

Awarded Proclamation by San Diego County in recognizing Lan Thai, owner of Neu Mune and her team's efforts for protecting our planet and health

Stanford University Study - Bridging Science & Farming

Lan Thai and Kimberly Cheung, student, will be conducting a Stanford University tomato polyculture research study and its implications on planet & human health

Our First Major Sponsor!

David Bronner, CEO of Dr. Bronner's sponsoring Neu Mune's Medicinal Nursery & Learning Center for construction to begin in 2025 with opening in Spring 2026

We offer various sponsorship options tailored to your specific needs and organizational goals, ensuring the perfect fit for you.

COMPANY TEAM BUILDING

Let us craft the ideal team building event on our beautiful 19-acre farmstead! Whether it's participating in tree planting as part of the sponsorship process, assisting in preparing planting beds, or immersing in educational sessions about food preservation, nutrition, and cooking with Food-As-Medicine Chef Lando, we're dedicated to curating the perfect day for your team.

As part of our team building event, not only will your group bond over planting trees and nurturing the land, but they'll also have the opportunity to contribute to our sustainable initiatives.

Book a team-building event today! neumunefarm@gmail.com

1-acre Metaflorasis! Flower Field Project . That tiny itty bitty witty black dot on top of tractor in the middle of the heart is Chef Lando.
